Bad dreams dis tress the man whose digestion is out of order. Constipation creates more dreams than are in the infernal regions. People who are troubled with stipation sleep hadly and restlessly Sometimes they can-not sleep at all, and when they do sleep, the dreams come. Nine-tenths of all the sickness in the world comes from constipation and neglect of it. It is a simple thing to cure if you go about it right. It's a bad thing and a serious thing if you don't take the right medicine. Dr. Pierce's Pleasant Pellets are designed for the cure of constipation. The "Pellets" are tiny, sugar-coated granules. One is a laxative, two a mild cathartic. Everybody who has ever used them has a good word for them. They have prevented more serious illness than any other remedy ever sold. Druggists sell them, and an honest druggist will not try to sell you something else.
